

January 2010

Dear Parent/Carer

Year 11 Catch-up Sessions - January 2010

In order to support Year 11 students in maximising their performance at GCSE, various departments within the school have arranged catch-up programmes, listed below. Please encourage your son/daughter to attend as many of these as possible. I have also enclosed for your attention, on the School web site, coursework requirements that still need completion. A paper copy is available from Mrs Kyriacou (Year 11 Teacher Assistant). The subject teacher will inform you if your son/daughter has still to complete their coursework. Should you require any further details please contact either the subject teacher or myself.
